1. Attached in duplicate is Form PTO-1050 with at least one copy being suitable for printing.

1. Examiner's Amendment of December 27, 2010, page 5 (old claim 19, new claim 15) was correct in making the agreed-upon change to the word "if" to --when-- in the second to last line but the Examiner did not correctly present the pending claim 19 as presented in the amendment filed October 7, 2010. In other words, claim 19 as presented in the Examiner's Amendment incorrectly includes the words "a data transfer unit configured to" in line 4. These words were cancelled in the amendment to claim 19 that was filed October 7, 2010.
